Product Description

Treekote Tree Wound Dressing - 12oz Aerosol Can

Protect injured trees, shrubs and vines from decay, insects and fungi

Apply Treekote Tree Wound Dressing to freshly pruned areas. Can also be used for grafting, propagating orchards or patching damaged trees.

- **Easy Application:** Choose from aerosol spray, brush-on formula or ready-to-use paste
 - **Effective Protection:** Reduces dieback and spread of harmful pathogens on tree wounds, grafts or pruning cuts
 - **Weather Resistant:** Won't melt in heat or wash away in rain
-
